# Competition format

- For the “International Youth Fencing Cup epee”, official competition formats will be used.
- In planning the format will be one or two poule round(s) followed by an elimination.
- Specific guidelines for the team competition:
  - There will be a fence off for all places.
  - The teams must be composed of 3 or 4 fencers whit at least one female fencer (who cannot be the reserve fencer)
  - All members must have the same nationality **OR** belong to the same fencing club.
  - Maximum number is 12 teams.
  - Minimum number is 3 teams. If this number is not reached, the team competition will not take place.
- The Technical Direction (DT) reserves the right, without right of appeal, to modify those formulas according to the number of entries and conditions of the day.

# Referees

- For the individual competition
  - Each club is required to provide a referee from 4 registered fencers (for the whole of the individual competitions of the day).
  - As of 9 fencers two referees are required, as of 13 fencers three referees are required.
- For the team competition
  - Each club is required to provide a referee for the first and the second registered team
  - From a third team registered, a second referee is required.
- The referees should be licensed and qualified by their federation or by the FIE.
- The names and qualifications of the referees are to be communicated before closure of the inscription (30/03/2022 at 23:59). Non-compliance to this rule will cancel the inscriptions of the fencers.
- The referee’s presence is mandatory between the first call of the competition in which the club has participants until the end of the last competition in which the club has participants or until they are dismissed by the Technical Direction (DT).
- **Foreign** clubs can, upon payment of the sum of € 150 and as long as the club has one available, request a referee from the organizing club. This must be done by sending a separate e-mail to the organizing club: [schermclublatemdeurle@telenet.be](mailto:schermclublatemdeurle@telenet.be)
