Driving Directions from Larnaca Airport to the Ajax Hotel

It is fairly easy to get from Larnaca Airport to our hotel in Limassol. You just need to exit the airport and follow the signs to Limassol on the highway (it's impossible to miss it). In about 40 minutes on the highway you will reach a roundabout. Take the first exit to your left towards the city center. You continue driving straight ahead and in 300 meters you will reach the first traffic lights. Keep on driving straight ahead for 1-2 km until you reach the second traffic lights. In 100 meters you will find the third traffic lights. At this point, you need to make a right. Our hotel is 20 meters from there.
