

The *Invicta* Open

...Is back at one of the best venues on the Open circuit, The University of Kent at Canterbury, and bigger than ever!
Saturday 17th and Sunday 18th March 2007

The Invicta is now in its 28th year, having developed from a small provincial competition to a truly international event, usually drawing around 30 overseas entries from The Netherlands, Belgium, France and others. It has earned an enviable reputation as a hard-fought but friendly competition with an excellent atmosphere, welcoming everybody from near beginners to regular open finalists. Following two successful years at Folkestone, to introduce more overseas fencers, we're heading back to the excellent facilities of UKC, where for the first time we're using both halls to ensure ample room and smooth running of the competition.

Leon Paul will supply an equipment stall, the scoring equipment and also provide on-line entry facilities on their Web site if required. Food, drink and armoury facilities will be available.

A celebration meal with Tenterden club members will be held on the Saturday evening for fencers travelling from overseas. Please let us know if you might be interested in attending.
