

Dear Fencers and Trainers ,

It is with great pleasure that the Dutch Open Fencing Foundation and Fencing Club Zaal Verwijlen invite all epee fencers to participate in the 11th edition of the Dutch Open. The **Temtec Dutch Open 2005** will take place on **Saturday October 22nd**, like previous years at "Sporthal the Ruivert" in **Oss, the Netherlands**. Epee Fencers in all categories may participate in this international tournament. Besides the main Male and Female tournament there will be a big tournament for all youth categories too.

The **Grand Final** of the Temtec Dutch Open will start at 5 PM on the stage of "**De Pas Theater**" in Heesch, followed by the prize distribution. The winner of the Male and Female final will receive **600 euro**. There are smaller prizes for the second and third places. The best performing junior of the tournament will receive the **'Temtec Talent Award 2005'** Of course all competitors and companions are welcome to attend the Grand Final and prize giving.

Organizing this tournament would have been impossible without the generous contribution of our main sponsor **Temtec**, designers of Executive Viewer, a Self-service analysis and reporting software for business intelligence.

Attached you will find an information and subscription form. In case you need further information or want to register with an online form then please visit us at www.zaalverwijlen.nl or contact us by e-mail at dutchopenfencing@yahoo.com

As in previous years we are looking forward to a great tournament with a strong field of participants.

See you in October!

On behalf of the organization

Ed Kooiman, president SV Zaal Verwijlen
