COVID Protocol Following the rules of the German and Bavarian government, the City of Nuremberg and applying the FORMIR guidelines of the FIE the following protocol will be enforced:

You are a responsible person. Before your departure it is advised to enforce physical distance and protective measures even more than usual.

Even if you do not need rapid antigen testing (RAT) it may be helpful to test yourself and possibly will avoid an isolation abroad.

- 1) Entering Germany : The regulations of the German government apply <https://www.bundesgesundheitsministerium.de/en/service/gesetze-und-verordnungen/guv-19-lp/coronavirus-einreiseverordnung.html>
- 2) Registration to the competition: Every participant must undergo a RAT. This operation is subsidized by the FIE. The tests are free to athletes and referees. Supplementary people must pay for the tests (15€). People who suffice the German "Covid-check" regime (Vaccinated, healed or tested) will not need to repeat the test. Everybody else will need to repeat the test after 48h. Identification of tested people is done via a bracelet. Authorities will be able to control at any moment.  
Also note that the validity of the RATs done at the competition are only valid for the event. Please refer our homepage: <https://fechterring.de> for the details of testing

- 3) Departure tests: If you need a departure test you will need to make a reservation please send an e-mail to [jwc@fechterring.de](mailto:jwc@fechterring.de). Please communicated the number of the required tests by 10.12.2021 latest.
- 4) Positive testing The OC is required to transmit the full dataset of every person tested positive to the authorities. Legislation requires that persons tested positive be isolated immediately. The isolation will last until the authorities lift it or a negative PCR-test is available.
- 5) Controlling positive RAT via PCR If a RAT returns positive the tested person must immediately go to his room. If there is enough time a PCR test will be done to control the result of the RAT. No control test can be done on Friday after 14:00. Hence if a person tests positive at a RAT after these deadlines the result is final and the person must stay in the room until further notice.
