Weapons

Floret - Epee - Saber (Women and Men)

Target audience Ferrum Vetus:

Formally, this is a Veterans tournament, but Futuri are also welcome under certain conditions.

Veterans: Fencers who are born in 1985 or earlier. There will be no fencing in age categories.

Futuri: These are students and novice fencers who are younger than the veteran age and they must meet the following conditions:

- Futuri must reach or already have reached the age of 20 in the current calendar year. With this we offer members of university fencing associations an opportunity to participate.
- Futuri may not be in the top thirty of the senior ranking. Women participating in this tournament on epee and foil are not allowed access if they are ranked in the top twenty and for women's sabre not in the first ten of the senior ranking.

Of course, this doesn't apply to veterans highly ranked in the senior rankings. (Dutch seniors see: <https://knas.onzeranglijsten.net>).

In case of low numbers of registration for ladies and/or gentlemen, the gentlemen and ladies will be merged into one category.

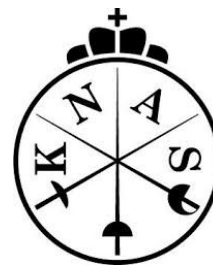

All participants must be members of the KNAS, the FIE or a fencing federation affiliated with the FIE from another country. Proof may be requested.

Format:

- All participants (both Veterans and Futuri) fence one preliminary round per weapon. The results of these preliminary rounds determine the place on the tableau. There will be a full elimination. The fencers who quickly drop out of the tableau may participate in a separate elimination (separate tournament), in order to be able to fence more than the one or few matches in the tableau (this match does not count for the final results of the tournament and the Ferrum Vetus rankings). Seeding for this separate tournament will be based on the results of the preliminary rounds.
 - Individual final results are processed by age group and gender into the Ferrum Vetus rankings.
 - Based on the best results of four tournaments, challenge prizes will be awarded to the Ferrum Vetus participants during the first tournament of the new year for:
 - the best man and woman per age category per weapon; challenge prize with souvenir;
 - the first placed man/woman overall per weapon.
- If fewer than 4 fencers have entered on one weapon, the match on that weapon will not be fenced. If possible, registered fencers will be informed if their e-mail address is known to the FV-organisation.

Refereeing:

The participants will mutually have to referee their bouts.

Competition tournament:

The Ferrum Vetus tournament was established in 2004 to offer veterans (40 years and older) an attractive and challenging fencing tournament several times a year. Since 2008, the tournament has also been open to fencers who are over 18 but under 40. We call this the Ferrum Vetus Futuri tournament which is an integral part of the Ferrum Vetus tournament.

The tournament is held several times a year at varying locations in the Netherlands and is organised by various fencing associations and the KNAS.
