

The **Invicta Open** is back...

At the Sports Centre at the University of Kent at Canterbury
on Saturday 15th and Sunday 16th March 2003

The Invicta is now in its 24th year, and has developed from a small provincial competition to a truly international event, usually drawing around 30 overseas entries from The Netherlands, Belgium, France and others. It has earned an enviable reputation as a hard-fought but friendly competition with an excellent atmosphere. This year we're back at one of the best venues in the open circuit. The centre boasts excellent lighting, a good floor, P.A. system and spectator facilities. The sports area is big enough for all events to be held in the same hall. Refreshments will be available from the newly-built cafeteria in the centre.
