Organisers

Leidsche Schermvereniging AEW. Heike Westra from Ducolt.com will attend with his fencing shop.

Formula

Depending on the number of competitors different age categories may be combined. Standard, only one preliminary round will be fenced, followed by a direct elimination round. The direct elimination table (bout plan) is established taking account of the classification table from the preliminary round.

When time allows there may be a second preliminary round and/or the elimination rounds may be fenced by category. The exact formula will be announced on the day of the competition.

Prizes will be awarded to the top three fencers in each category. The prize-giving ceremony will take place shortly after each final. There will be separate ceremonies for girls and boys.

Rules

The Competition will run in accordance with FIE and KNAS Rules for Competitions. See knas.nl for more information. All matches will be fenced with electronic scoring equipment.

Referees

The availability of sufficient refereeing staff is essential for the smooth operation of a tournament. Each club is required to provide one referee for every 4 fencers from that enter the competition. The tournament reserves the right to refuse entries if this requirement is not met. Referees from non-competing clubs are most welcome.

Referees will be remunerated with €30,- per part of the day. Referees for both parts of the day will also receive a compensation for a lunch in the local cafeteria.
