COVID 19

COVID 19

Les réglementations par rapport à l'épidémie du Covid19 suivront celles préconisées par l'Etat français et la Confédération Européenne d'Escrime.

Le masque restera obligatoire en intérieur sauf pour les tireurs durant la compétition et les maitres d'armes lors de leçons.

Chaque nation devra fournir le nom des tireurs, maitres d'armes et accompagnateurs ainsi que les numéros de téléphone ou mails à l'organisateur pour le traçage. Un test PCR de moins de 72h ou un test antigénique de moins de 48h ou un schéma vaccinal complet ou un rétablissement du Covid19 de moins de 180 jours est obligatoire pour accéder à la zone de compétition.

Aucune dérogation sera possible.

Ces réglementations pourront évoluer favorablement ou défavorablement suivant l'évolution de la situation sanitaire.

Merci de remplir l'annexe 1 et nous la transmettre à l'inscription ou au pointage sur place.

The regulations regarding the Covid-19 epidemic will follow those recommended by the French State and the European Fencing Confederation.

The mask will remain mandatory indoors except for fencers during competition and fencing instructors during warm-up.

Each nation must provide the names of the fencers, fencing masters and accompanying persons and telephone numbers or mails to the organiser for the tracing.

A PCR test less than 72 hours old or an Antigenic test less than 48 hours old or a complete vaccination scheme or a Covid-19 recovery less than 180 days old is required for access to the competition area.

No derogation will be possible. These regulations may change favourably or unfavourably depending on the evolution of the health situation.

Thanks to complete annex 1 and send us this document at the inscription or checking.

EFC Covid-19 regulations applicable on the EFC tournaments

Scope of this document:

- This document applies to both Nationals of the host country as well as foreign visitors.
- It includes conditions on which spectators may attend events.

Organiser's obligations:

- Participants must maintain a sanitary distance of at least 1.5 meters.
- Body temperature control is to be carried out at the entrance to the venue for all participants.
- Facemasks are mandatory, except for fencers and coaches when fencing or warming up.
- Participants should bring their own bottle of water and must not share it with anyone.
- If possible, the organizers should provide the access to Internet connection in order to follow all information about the progress of the competition with paperless procedure.
- If applicable, the video consulting procedure is adapted to keep sanitary distance.
- Participants must comply with any additional measures and regulations imposed by local authorities.
- Adequate handwashing facilities must be provided, and these must allow for sanitary distance to be kept. The venues should also provide hand sanitizer around the entrance to each area.
- Doctor and medical staff of the competition wear facemasks, gloves and a visor during treatment of injuries.
- The Host Organizers request an authorized COVID-19 Antigen (not older than 48 hours) or PCR (not older than 72 hours) testing certificate or a vaccination certificate from all participants (fencers, coaches, accompanying persons) released by an accredited laboratory. Alternatively, instead of the vaccination, medical certification about past Covid infections not older than 180 days can be requested.
- Accreditation (or, say, wristbands) only to be given after verification of Covid-19 certification.
- Invitation: A document that includes all the requirements to be fulfilled by the Host Federation and by fencers as a condition for approval by the EFC of the EFC Official Event. It is the responsibility of the Host Federation to make sure that there are no conflicts between the EFC requirements and existing local, regional, and national rules and regulations in the Host Country.
- National Fencing Federations as well as Host Organizers and the EFC will not be held financially responsible for Associate Participants who must prolong their stay in the host country to comply with travel restrictions and/or quarantines imposed by the Host Country and/or their home country. The same applies about possible expenses of delegations in case of the cancellation of the tournament due to "force majeure" situation in the host country.

Name of National Federation:

Preamble

The novel coronavirus, COVID-19, has been declared a global pandemic by the World Health Organization. COVID-19 is extremely contagious and experts believe that it is primarily spread through person-to-person contact. The European Fencing Confederation ("EFC") has published preventive measures aimed at reducing the spread of COVID-19. Nevertheless, the EFC cannot guarantee that the implementation of such measures will fully guarantee a COVID-19 free Tournament.

The EFC requires the Organising Committee and, where relevant, the National Federation to acknowledge the risks involved in running the Tournament and to release the EFC from any liability in relation to the running of the Tournament.

* * *

In consideration of being permitted to run the Tournament by the EFC, the Organising Committee and the National Federation (if applicable) agree to all the terms of this Release from Liability and Indemnity.

By signing this agreement, the Organising Committee and the National Federation (if applicable) acknowledge the contagious nature of COVID-19 and consciously take the risks relating to the same of running the Tournament and full responsibility for any injury (including, but not limited to, physical injury, disability and death), illness, damage, loss, claim, liability or expense of any kind that may arise as a result of the Tournament. The Organising Committee and the National Federation (if applicable) hereby undertake to refrain from suing the EFC and its designated individuals who are released from all liability.
