Formula: the competition will be fenced according to the official FIE formula; there may be one or two rounds

Team-event: Teams of three (shortened version); the formula of the team event depends on the number of participating teams; as usual, a team encounter consists of 9 single fights, but each encounter only has 5 points (which means 5:0 or 4:1 or 3:2). As soon as a team has 23 points, it has won the encounter. One single fight lasts 2 minutes at most. If the score is even at the end, there will be a play-off on one point which lasts one more minute. The leaders of each team can decide who fences in the play-off.

Referee: If you have three or more participants you have to provide one referee.

Safety: Safety regulations according to the FIE
