

5th Touche à Bâle 2006

Dear club captain,

“Touche à Bâle” will take place the 5th time in Basel (Switzerland).

Come and join us!

Hosted and run by the students and friends of Fechtgesellschaft Basel / Société d'Escrime de Bâle . It is **the** international fencing competition without requirement to international or national rankings for active and “retired” students in Switzerland.

Full details can be found in the information document enclosed.

Everybody from beginner to pro is invited to join the tournament on

September 30th & October 1st 2006 (Sa./Su.) “Touche à Bâle” was established in 2002 together with SEB/FGB and the University of Basel.

There will be organized a mixed competition in epee, foil and saber. Please don't hesitate to show your interest. Then we would know if we might organize some signal units for saber.

We are sorry that an accommodation in the sport halls cannot be organized. But there are a backpacker hotel and a youth hostel available in the town. The addresses you'll find in the announcement.

Cheap parking areas in the city are rare, but we are working on a solution.

We want to go out for a nice dinner with the participants in basilean atmosphere on Saturday.

So, please read the announcement and fill in the entry form and . . .

. . . See you then!
