Dear fencers,

It is my pleasure to invite you to the 19th 'Koning Willem II' Epee fencing tournament, organised by fencing club 'Rapier' of Tilburg, The Netherlands on Sunday 24 September 2006.

This tournament is fought for the Koning Willem II Challenge Trophy, and will take place at the sports centre of the University of Tilburg, building Z, Academielaan 5, Tilburg. Catering will be available.

Both ladies en gentlemen will be called between 8.45 - 9.15 am, the tournament will commence at 09.45 am. The final is usually around 5.00 pm.

There is no entry fee for foreign fencers. This tournament is open to ladies and gentlemen **of 15 years and over**.

After the first qualifying round, A and B groups will be formed. The A group will fight in a (split: ladies and gentlemen) system of elimination to determine the winner. The B group is mixed (both ladies en gentlemen) and will fight a second round to establish a ranking, which will then be concluded with an elimination. The organisers reserve the right to change this system if necessary. If you are sending four or more fencers, please consider bringing a referee as well. In case there are not enough referees, fencers themselves can be asked to referee other fencers' fights.

Equipment should meet current FIE-standards. You can expect to fight the Dutch Champions who are usually present at this tournament!
