Registration deadline: Tuesday, 10 November 2026 23:59u

Schedule:

15-11-2026	10:00	hall opens, registration starts
	10:30	appèl, close of registration
	10:45	scratch, start of tournament
	15:00	end of tournament, medal ceremonies

Format: Pool rounds to 5 points, 100% qualifies for the next round.

Then incomplete direct elimination tableau without repechage.

Fencers losing their first tableau bout will be invited to a **B-**pool. Depending on the number of participants, this group may be supplemented by fencers eliminated in the second round. This will be announced at the start of the tournament. Depending on the size of the B-pool and the time available, a (limited) B-tableau may or may not be fenced.

If there are sufficient participants (6 or more), a separate women's competition will be organised. With fewer participants, fencers will be consulted whether to fence a separate elimination or not.

Prizes: Medals awarded for the main competition (men's and women's) as well as for the (mixed) B-pool

Referees: The organisation will **not** provide or invite referees and will rely on fencers refereeing amongst themselves. Volunteer bystanders willing to help out are greatly appreciated.

Equipment: This is a regular competition according to KNAS regulations: 800N vest, 800N breeches, 800N underplastron, 1600N mask with double fastening, 800N glove. A maraging blade is not required.
There will be no equipment check before the competition.

Cafetaria: Availability of the sports hall canteen depends on external activities
