

Viking Open 2016

Saturday April 16th

Sabre Fencing Tournament

Viking Open

Roskilde Fencing Club is proud to introduce a new yearly spring event: Viking Open. The tournament is open for sabre fencers in and outside Denmark. Registration in Ophardt or by mail: lars@roark.dk, **April 9th** at the latest.

The mission for this tournament is to focus on giving the fencers as much (time and diversity of opponents) fencing as possible. The tournament is planned with this goal in mind, also by ensuring as low barriers for participation (price and formalities) as possible.

Competition

There will be 8 individual competitions, each gender in the 4 classes:

Senior (-1995), Junior (1996-98), Cadet (1999-2001), Youth (2002-)

Team competitions is planned for Youth, Cadet and Senior – depending on interest.

Fencers may fence one class up – two classes if agreed with tournament management.

To maximize the fencers experience we plan to do the poules:

- either one poule for all (gender in class)
- or two poule-rounds, poules as big as possible for practical purposes
- as i.e. the youth category is expected to have less participants, this poule may be mixed gender.

Although low on formalities, all fencers are of course required to fence using FIE level equipment. For Clubs with 5 or more participants we expect the Club to supply one referee. Especially in poules we expect some senior fencers to assist as judges.
