Competition format

- For the International Youth Fencing Cup Epee, official competition formats will be used.
- In planning the format will be one poule round followed by direct elimination.
- Specific guidelines for the team competition:
 - The teams must be composed of 3 or 4 fencers (3 fencers + 1 reserve) from the same country **or** from the same fencing club.
 - Minimum 1 male and 1 female fencer per team.
 - Maximum number is 12 mixed teams.
 - Minimum number is 3 mixed teams. If this number is not reached, the team competition will not take place.
- The technical direction (DT) reserves the right, without right of appeal, to modify those formulas according to the number of entries and conditions of the day.

¹ Counts for the Belgian National ranking U17 women.

Referees

- Each club is required to provide a referee for every 4 fencers (for the whole of the individual competitions). As of 9 fencers two referees are required, as of 13 fencers three referees are required.
For the team competition, the organization will provide the referees (1 referee per poule), each team will contribute proportionally to the costs.
- The referees should be licensed and qualified by their federation or by the FIE.
- The names and qualifications of the referees are to be communicated before closure of the inscription (12/02/2018 at 23:59). Non-compliance to this rule will cancel the inscriptions of the fencers.
- The referee's presence is mandatory between the first call of the competition in which the club has participants until the end of the last competition of the match day. Non-compliance to this rule will lead to a fine of € 125 for each absent referee. This fine will be transmitted to the club in default.
