Access to the competition site will only be granted to persons who...

For asymptomatic persons who have not yet reached the age of 18 or who cannot be vaccinated for medical reasons or for whom there is no vaccination recommendation by the Permanent Commission on Vaccination, a negative antigen test proof, which must not be older than 24 hours, is sufficient instead of a PCR test proof. According to the DFB (German Fencing Association) hygiene concept, pupils must also present a test. The relevant time is the start of the tournament as stated in the announcement.
