

Tenterden Swords FC would like to welcome you to the 42nd

Invicta Open

*at the University of Kent, Canterbury,
Saturday 18 and Sunday 19 March
2023*

The Invicta has earned an enviable reputation as a hard-fought but friendly competition with an excellent atmosphere, welcoming everybody from near beginners to regular open finalists. After a two-year break, we will again be inviting clubs from Belgium and The Netherlands. We have an exceptional venue at UKC, with sprung floors throughout and we plan to provide metal pistes for all the foil and epee fights and SG12 scoring boxes throughout at all weapons. Free parking is available on site.

Closing Date: Monday 13 March 2022. Late entries will be accepted only at the organisers' discretion.

Entries: Please enter online at <https://www.the-invicta.uk/InvictaEntry.html>. Entries cost £40.00 for one weapon, £70.00 for two weapons. Late entries are £45.00 one weapon, £80 for two. There is a 10% discount for over-65s. It is not possible to enter both epee and sabre. Entry fees include £5.00 for the BF Ranking Levy.

Entries for fencers travelling from abroad are free. Please enter through the site and tick "Travelling from abroad".

Venue: The Sports Centre, University of Kent, Canterbury, CT2 7NL, U.K. See <http://www.kent.ac.uk/maps/canterbury>.

Prizes: Medals will be awarded to the top eight in each event, prizes to the top four. Additional trophies will be awarded to the top veteran (40 and over) and medals to the top under-20 and Kent fencer in all events.

Notes: A plate competition will be run for fencers eliminated early. Numbers may be limited to ensure the smooth running of the competition; BFA membership, or temporary membership for overseas fencers, is compulsory. BF memberships cannot be issued by the event organisers on the day of the fixture. We aim to start promptly after the check-ins close - fencers arriving late may well be able to fence only in the plate competitions. The minimum age for entrants is 13 on the day of the competition. Armoury facilities and hot and cold food will be available. Current BFA rules on kit apply, so 350 Newton kit with an 800 Newton plastron is acceptable. Masks with two fixings are strongly recommended but not mandatory. The event organisers take no responsibility for any theft, loss of property or injury sustained at any the fixtures to any entrants.

On the days of the event only, please call 07483 838 449 if you are running late or unable to attend.
