Registrations are not valid if a referee is not entered. •Commitment of referees The loan of referees between clubs is allowed. A club may therefore hire a licensed referee from another club. An arbitrator who is not licensed in Belgium can be used if he meets one of the following conditions: Either be included in the official list of the FIE. Or he holds a federal arbitrator's certificate from his country of origin. In this case, the club wishing to call upon this referee will submit the foreign diploma to the CNA, which will then assess the equivalence of this diploma. The proof of equivalence must be available to the TD at the latest on the first call on the weapon for which the referee concerned will be deployed. From 4 fencers registered in several weapons, per competition day and without distinction of gender, the club must, at its own expense, place a qualified referee in one of these weapons at the disposal of the TD. Remarks	Preventive measures Covid-19 Payment for registration is to be made by bank transfer before the competition. One transfer per club or per fencer, based on the number of registered players. The corona barometer has been deactivated. Concretely, this implies: . The obligation to wear a mask is removed, however the mask is still recommended in very busy places. . Belgian and foreign fencers and accompanying persons are no longer subject to the presentation of a valid vaccination or recovery certificate or a test result However, this decision does not apply to fencers and accompanying persons from a country confronted with the presence of a new worrying variant. For these, the testing rules remain in effect. If the sanitary measures should be modified before the tournament is held, all participants will be notified. In the event of a dispute, only the French language regulations (available upon request) will be considered. The rules translations in Dutch and English are non-binding and given as reference only.
