

Dear Fencers and Trainers ,

It is with great pleasure that the Dutch Open Fencing Foundation and Fencing Club Zaal Verwijlen invite all epee fencers to participate in the 12<sup>th</sup> edition of the Dutch Open. The **Applix Dutch Open 2006** will take place on **Saturday October 14th**, like previous years at "Sporthal the Ruivert" in **Oss, the Netherlands**. Epee Fencers in all categories may participate in this international tournament. Besides the main Male and Female tournament there will be a big tournament for all youth categories too.

The **Grand Final** of the Temtec Dutch Open will start at 5 PM on the stage of "**De Pas Theater**" in Heesch, followed by the prize distribution. The winner of the Male and Female final will receive **600 euro**. There are smaller prizes for the second and third places. The best performing junior of the tournament will receive the **'Temtec Talent Award 2006'** Of course all competitors and companions are welcome to attend the Grand Final and prize giving.

Organizing this tournament would have been impossible without the generous contribution of our main sponsor **Applix**, designers of Executive Viewer, a Self-service analysis and reporting software for business intelligence.

Attached you will find an information and subscription form.
