Competition Rules

The competitions are open to all fencers, both Belgian and Foreign, Senior, Junior or Cadets in possession of the national license 2015-2016 (This last must be presented at sign-on).

They shall be decided by one or two pool rounds, by direct elimination without a secondary group or by a single pool according to the number signed on.
Fencers must equip themselves and fence under their own responsibility

Clothing and materials must conform to FIE norms
The 800 Newton plastron is obligatory.

The organisers decline all responsibility in the event of accident or theft.

Clubs presenting a minimum of three fencers by weapon are invited to make available a President to the Technical Directorate during the greater part of the Competition or else to pay a supplement of €50 (the choice to be shown on arrival). In the event of a lack of Presidents, fencers could be asked to preside their own pools.
Presidents will be offered lunch accompanied by drinks.

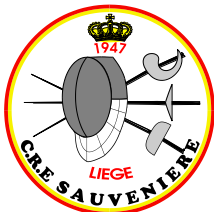

The challenge “handi-escrime” is open to the disabled fencers and fencers without a disability. Priority is given to disabled fencers. The organization have the right to refuse a person without a disability, depending on the needs of the competition. The depended disabled must be accompanied by one person.

The organisers reserve the right to modify the rules according to circumstances. The Technical Directorate alone is sovereign for all decisions.

All the competitions will be fought with electric weapons.

The entry fee is fixed at €12 and is payable by fencers upon arrival.

Refreshments will be available at the cafetaria.
