If there are more than 13 participants, we fence 2-3 preliminary pools and based on that A, B and possibly also C finals. If there are more than 18 participants, the preliminary round will be fenced in fights to 3 hits in 2 minutes.
The seeding of the pools will be done according to the current ranking list. The January tournament will be seeded according to the final standings of the previous year.
Scoring will be based on wins and index. In case of index equality, the seeded hits count, if they are equal, the direct comparison counts.

Withdrawal from the tournament. If the participant drops out in the preliminary or major rounds, he/she will be listed as not present. If the participant drops out in the final rounds, he/she will be seeded in the last place of the round.
