2) 2007 Junior/Cadet World Championships

a) **Heads of delegations**

From the 2007 J/C World Championships in Belek (TUR), the meeting of heads of delegations usually scheduled the day before the World Championships will be suppressed.

This meeting which essentially aimed at supplying practical information on the World Championships to the delegations and enabling these delegations to confirm or modify entries for the championships, will be replaced by :

- a document of practical information on the World Championships, which will be established by the FIE and the Directoire Technique, and handed to the heads of delegations together with the accreditations of their fencers and officials ;
- the modifications to the lists of entries by each head of delegation will be made at the accreditation desk, where a staff of the FIE and a member of the Directoire Technique will be at disposal during the whole World Championships. Naturally, a modification of entry can only be made according the FIE Rules.

You will find attached herewith the modified programme of competitions for Belek 2007, that is without the meeting of heads of delegation.
