[www.delftsetegeltjestoernooi.nl](http://www.delftsetegeltjestoernooi.nl)

The team tournament will be a recreational tournament on sabre for national and international participants. A membership with the national fencing association of the participant's country of residence is required. Please do not forget to bring your membership card or any other proof of membership for verification.

### Schedule

Category		Appel	Scratch	Start
Sabre	Mixed	12.30	13.00	13.30

Depending on the numbers of participants, the scheme will be determined. The team tournament starts after the individual sabre competition. This makes it possible that fencers join both competitions.

A team consists of 3 fencers and one reserve (reserve is optional). The team can be mixed and it is allowed to create an 'occasional' team (e.g. members of different clubs).
